The issue of a licence in regard to [illegible] animals by the Local Bd would seem to obviate the difficulty (under Rule 5-(i)(c)) of Rules governing the keeping of cattle. (page 55 of Rules Manual)

Please bring it up 8/4.

As the rules stand, no fee can be levied on animals owned by residents provided a licence is obtained by the Local Bd mentioning the no of ~~cattle~~ cattle owned by them.

Hence no harm done if a special clause is inserted in the notifn of sale as proposed.

Sir,

I have the honour to state that in the present sale notifications of the District Fund Tolls thre is no condition preventing the contractors from collecting tolls on cattle belonging to the residents of the village or town within the limit of which the toll-gate has been established. The cattle of the village will be going out and coming in every day in the usual course and the levy of toll on them is considered to act as a hardship to the oweners. Therefore the absence of such a clause has caused some discontent among the villagers affected: When the question was discussed at the meeting of the District Board held on 24th February 1926, they were unanimously of opinion that such cattle should be exempted from payment of toll and ~~consec~~ consequently resolved that a condition to this effect should be introduced in the sale Notification. A copy of the resolution passed on the subject is enclosed herein for information .

I request you will be so good as to obtain sa
